The Invisible Doctrine: The Secret History of Neoliberalism (& How It Came to Control Your Life)

Neoliberalism. Do you know what it is?

It's an ideology that preys on every aspect of our lives; conceived, propagated, and then concealed by the powerful few.

Journalist, author and activist, George Monbiot asks us to expose it for what it is and build a new system that is worth fighting for. Join George, in-conversation with Cllr Georgina Allen, for the launch of his new book *The Invisible Doctrine*, in what promises to be an enlightening evening of discussion and debate.
