We are delighted to welcome **Derek Gow** back to our bookshop. With his latest book, Derek tells the story of his work to save many more species by transforming his Devon farm into a wildlife breeding centre. He includes beavers, white storks, water voles, lynx, wildcats and even water buffalo in his menagerie. These animals are not just exhibits though, one day Derek aims to release these animals back to where they belong - the wild.

Derek is a passionate advocator of nature restoration. He is also a great storyteller with plenty of stories to tell, so book your place early for what will be an informative, memorable and thoroughly entertaining evening.

The evening starts at **7:00pm for 7:30pm on Thursday 23rd June** at the **East Gate Bookshop**. Numbers will be restricted, so if you'd like to attend, please let us know at the bookshop, or phone us on **01803 865317**, or email **info@eastgatebookshop.co.uk** to reserve your place.
