**Join us for an evening with craftsman Nick Kary**

Nick Kary, author of the book *Material: Making and the Art of Transformation*, will be discussing his own journey as a maker. Over the past 35 years Nick has developed his skill set as a craftsman and designer of fine furniture from workshops in London, Mexico and Devon.

An associate lecturer at Plymouth University and Schumacher College, Nick also teaches furniture making from his own workshops at The Brake, which he established with his wife Dolly, near Totnes. It is here that he can practice his passion for helping others find another way of ‘thinking through their hands.’

**Nick will be talking and reading from his book, while doing his best to make the legs for a stool from an ash branch using an axe, shaving horse and a draw knife.**

The evening starts at **7:00pm for 7:30pm on Thursday 31<sup>st</sup> March** at the **East Gate Bookshop**. If you'd like to attend, please let us know in person in the bookshop, or email us at **info@eastgatebookshop.co.uk** to reserve your place.
