

## Restoring Nature: a rewilding and regenerative farming literary festival

Saturday, 14th May 2022, at Lower Sharpham Farm

### Food on The Day

Devon is rightly renowned for its delicious food, and we intend to celebrate that by serving up the best food throughout the day. All locally sourced where possible and prepared and cooked at the festival. There will be vegetarian and vegan options for breakfast, lunch and the evening's BBQ.

*Note: food for the day is not included in the ticket price and you are welcome to bring your own food and snacks.*

There will also be a fully licenced bar to accompany the mealtime BBQ. A great chance to chat, listen to Holly's band and, weather permitting, enjoy the beautiful last light, on a late springtime day over the river Dart

### Music and Forest School

As well as fabulous food, we are thrilled that **Holly Ebony** and her brilliant band will be performing at the festival. *Holly brings cascading vocals: heady and as peaty raw as the Dartmoor landscape she hails from. Holly Ebony traverses folk, soul and blues through her deep-rooted music.*

Throughout the day we have some fascinating authors and speakers lined up. While we will be enthralled and engaged, it might not be so riveting for young children. So, we are providing free forest school activities that will keep the younger ones entertained. These activities might involve mud!!
